# Reynolds Replacement Frame Decals

**Pre 1980 style decals are not available**, as the material used was a wet fix application, and the decal had a very short shelf life

**1980's style decal (line through Reynolds logo – without Reynolds name at the bottom)**

Main frame Decals (available whilst stocks last)

| Reference | Decal |
|---|---|
| Ref R50 | Reynolds 753 |

All decals are £4.95 each/pair, including, packing and postage. (US$7.45) + UK VAT where applicable
Where more than one decal is ordered, or forks are ordered at the same time as the frame decal, the additional decals will be charged at £2.00 each/pair (US$3.00) + VAT where applicable

**Payment by PAYPAL** (we need your email address with order)

Tel – 0121 777 3853
Fax - 0121 777 3153

January 2009..

**All decals are self adhesive application**

Remove all grease from frame.

Peel off back card and apply in position on frame, ensuring no air bubbles, and decal is firmly adhered to frame.

**On current style decal**, there is an additional layer of protection on top of the decal. Peel off the top clear coating leaving the decal in place. If decal does start to lift when removing the clear coat, apply pressure to the decal whilst peeling the cover off.

Decals can be applied before final lacquer if required.
